

COVID-19 SAFETY MEASURES

Temperature testing upon arrival

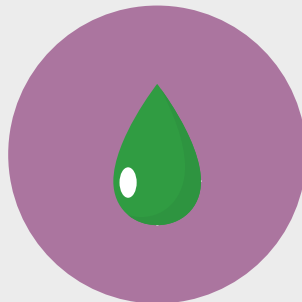

Wider aisles and one-way system on show floor

No printed literature, digital PDFs and app only

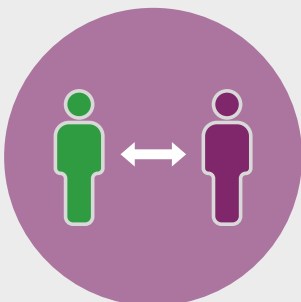

No food & drink samples or buffet style foods in catering areas

Increased cleaning schedule & multiple sanitation stations on show floor

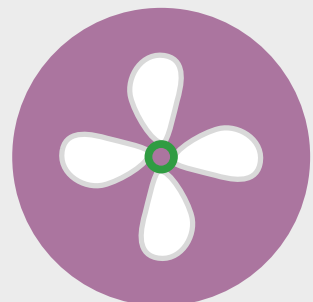

Face covering compulsory on show floor

Increased distance & no shared microphones in conference areas

On-site medical support & quarantine area

Increased ventilation improving fresh air in exhibition hall

We are monitoring the situation closely and will update measures as and when we may need to according to government guidance.
